

# The Principles of the Red Cross

- ➔ **Humanity**  
We serve people but no system.
- ➔ **Impartiality**  
We tend victims but also perpetrators.
- ➔ **Neutrality**  
We support initiatives but never take sides.
- ➔ **Independence**  
We obey needs but never kings.
- ➔ **Volunteerism**  
We work round the clock but not to get rich.
- ➔ **Unity**  
We have many talents but only one aim.
- ➔ **Universality**  
We respect nations but no borders.
